

CHOCOLATE, AKA SIR BARKS-A-LOT

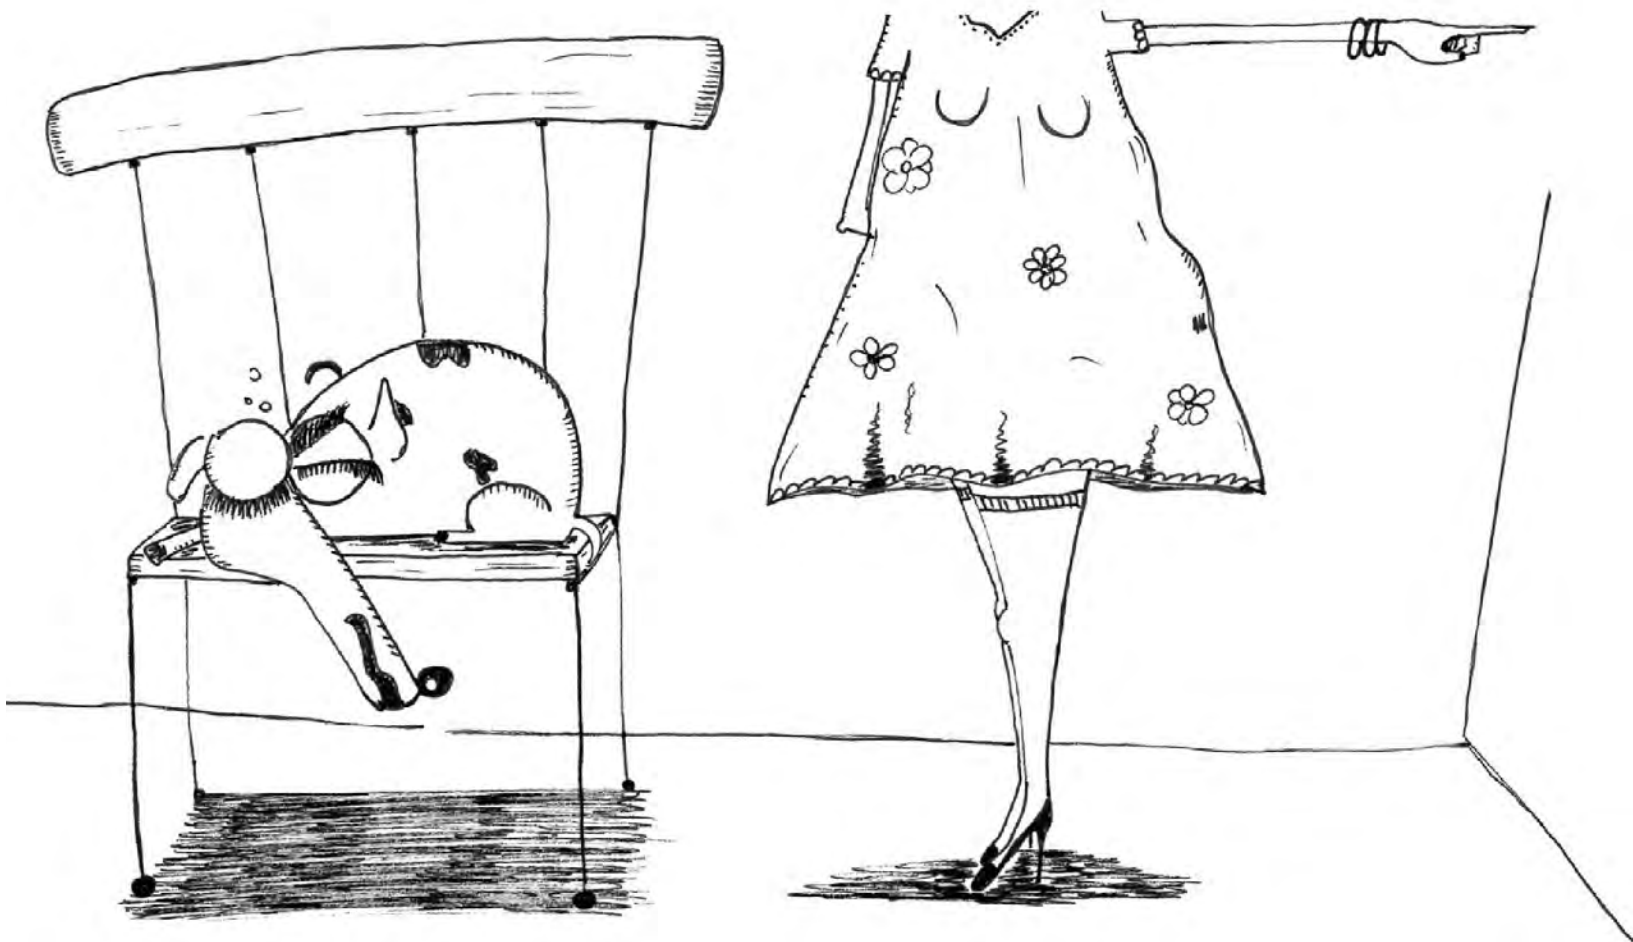

vanessa Agricola

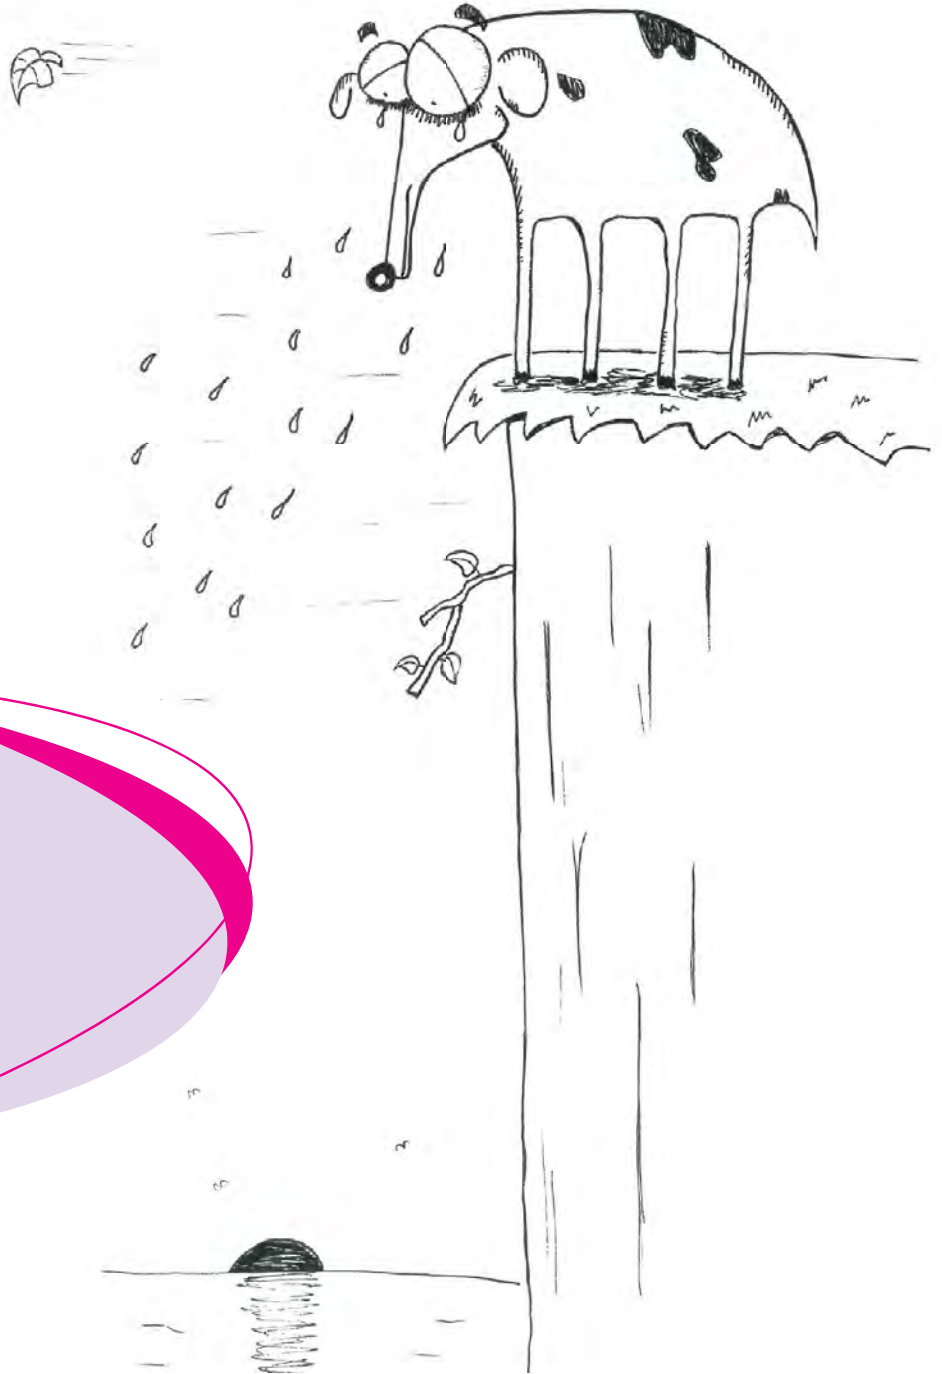

Illustrations:

His owner never
pets him, that's
not fair.

- Woof! Woof!

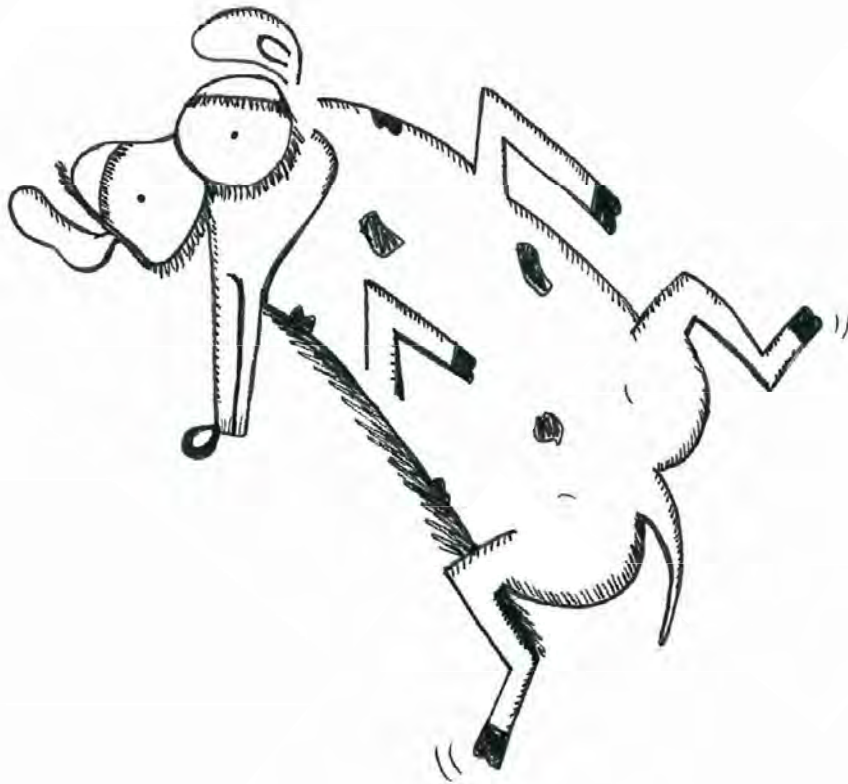

Chocolate, shush!
And get off that chair.

She yells and yells
and makes him sad...

Why don't you give
him some love?
He's not so bad!

Paws and Claws

This is Chocolate, aka Sir Barks-a-lot.
He'll bark at anything you've got. "Woof! Woof!"
But his owner never pets him, that's so sad!
Why don't you give him some love?
He's not so bad.
