Once upon a time, in a poultry farm, there was this little skinny hen. She was so so thin and so so sad, poor girl, everybody made fun of her.

- Just look at her! Look at her!  
- What a skinny little hen!  
- Hahaha!

Whenever she left home  
it was the same story.

Skippy's grandma,  
who was also tiny,  
tried to say something.

- If you only knew  
how pretty  
you are!

But although she kept  
insisting, it was all  
for nothing.

# Paws and Claws

Jen was so so thin, so so sad, so so ugly,  
poor girl. Everybody laughed at her.  
“What a skinny little hen, hahaha!”  
Except for Smelly-Toe. Be it plumpy  
or skinny, it didn’t matter to him at all.
